Shares purchased in terms of the Repurchase Programme may not be made at a price greater than 10% above the volume weighted average trading price of Bowler Metcalf shares over the five trading days immediately preceding any particular repurchase and will be effected through the order book operated by the JSE, without any prior understanding or arrangement between the Company and/or its subsidiaries and the counterparties. The Company has entered into an agreement with an independent broker to conduct the Repurchase Programme.

Any repurchases will be effected within certain pre-set parameters of the Repurchase Programme and the Listings Requirements of the JSE.
